## **MISSION LANDSCAPE COMPANIES ENHANCE LEADERSHIP TEAM**

*- Renowned industry veteran takes the helm at Mission Landscape Architecture -*

**Irvine, California, June 1, 2011** – Irvine based Mission Landscape Companies, ([www.missionlandscape.com](http://www.missionlandscape.com)), today announced that Rocco M. Campanozzi has been promoted to the position of Vice President of Mission Landscape Architecture, a strategic business operating unit of Mission Landscape Companies. Mission Landscape Companies provide an integrated suite of sustainable landscape services including Landscape Architecture, Landscape Development, Landscape Maintenance, Tree-Care and Environmental Resources. As Vice President of the landscape architectural group, Rocco's responsibilities will include managing the daily operations, creating synergistic alliances, developing business and assisting in the strategic direction of the company. Rocco brings over thirty years of design, construction, environmental and managerial experience in both national and international markets. David Dubois, Chief Executive Officer, of the Mission Landscape Company said, "As we position ourselves for strategic growth in the new economy, it has never been more important to have the right people on your team. Rocco's diversified experience in commercial, residential, municipal and institutional markets, both here and abroad, along with his strong managerial skill sets; enhance our multi-market service portfolio and leadership team. We're proud to have him on our team as Vice President of Landscape Architecture and as a key brand steward of Mission." The Mission Landscape Companies are one of the largest integrated landscape firms in the United States and abroad.

As Vice President of Mission Landscape Architecture, Rocco will also work on expanding the groups successful GREEN and sustainable programs, including water management. Mission Landscape Architecture is a team of dedicated LEED certified professionals who have been providing the multi-family, retail, industrial, commercial, HOA, senior and assisted living, hospitality, resort and municipal markets with an integrated landscape solution for almost 40 years. Campanozzi stated, "As the landscape architectural arm of the company, we are called on to perform a myriad of services including performing site audits, master planning, project management, design, financial analysis and environmental strategy to multiple markets in the United States and abroad. We add value for our customers via collaboration with our Landscape Development, Maintenance, Water Management, Tree-Care and Environmental Resources operating units, with the goal of providing them with intelligent designs, exceptional client experience and a positive return on investment. It is very rewarding to work with such a talented group of professionals, and be a part of company who is known and respected as an industry leader."
